**UPTU-Florida International University, USA
Dual Degree Programme**

Attention: MBA from UPTU and final year MBA UPTU students with 70% and above marks.

Dear alumnus/student,

UPTU has signed an Agreement with Florida International University-Chapman Graduate School of Business for a dual degree program between UPTU and FIU.

Under this scheme, any MBA, degree holder of UPTU and this year's final year MBA batch students who secure 70% or above in MBA program with a TOEFL score of 550 or better can seek admission to FIU's Master of International Business (MIB) program which is rated among top 25 International Business programs in USA and top 15% globally.

Students admitted to MIB program in FIU through UPTU under the MoU can complete MIB in 12 months only with US Dollar 16000 as the tuition fee for the entire MIB whereas this would have been USD 26000 if they were to seek direct admission. In addition every admitted student in MIB will get a scholarship from FIU of value USD 1000 which effectively makes the tuition fee to be USD 15000 only for the MIB program.

Under this scheme not more than 15 MBA's from UPTU can be admitted to MIB in a year. Minimum 70% marks in MBA and a TOEFL score of 550 or more is required. TOEFL is available on-line and can be taken every month - as I was given to understand.

We wish to operationalise the MoU this year itself. We perceive this MoU to give international visibility to UPTU and global exposure of students admitted through this scheme, thus hopefully enhancing their global employability.

For the fall term beginning in September, 2008 we wish to identify upto 15 names from UPTU, MBA's by 5th July 2008 as MBA final year result should be available by 20th June 2008. In the meantime they could take TOEFL Exam. which is mandatory.

I have already written to Directors/Principals of MBA programs under UPTU to bring this to the notice of students interested and eligible for it. Through this letter I am requesting concerned students to take necessary action as outlined above.

To give me an idea of your initial interest in the scheme, you may respond to the following email:

With your academic profile and whether you have TOEFL score already or intend taking the on-line examination in near future.

With best wishes,

Yours Sincerely,
